Conference Centre Information

Location

Stanwell Tops Conference Centre is situated about one and a half hours south of Sydney near to the city of Wollongong. The facilities, although near to major cities, are in beautiful Australian bush land with views of the Pacific Ocean; near to beaches and other scenic spots. The conference centre supports roomy meeting halls and seminar rooms, a dining room overlooking the forest, a swimming pool and other sports facilities.

Accommodation

Accommodation is in dormitory style rooms. These rooms have self-contained bathroom facilities and are bright and comfortable.

It is hoped that a new facility will be built in time for the conference which will provide rooms for couples but currently only dormitory accommodation is available.

CONFERENCE REGISTRATION FORM

Name: _____

Address: _____

Phone/Fax/Mobile: _____
(Circle one of the above) country / area / number
